### **About Wide Bay Kids**

Wide Bay Kids envisions a thriving, resilient and inclusive Wide Bay community where every family, young person and individual feels connected, supported and empowered to participate fully in community life. We see a region where access to information, services and opportunities strengthens wellbeing, builds belonging, and creates lasting social connection across generations.

Our goal is to bring people, services, businesses and community groups together to solve local challenges and create opportunities for connection, growth and wellbeing. Through practical, place-based engagement, evidence-informed programs, and community-led initiatives we aim to improve access to support, foster meaningful relationships, and strengthen social and economic outcomes across the Wide Bay region.

*We are guided by values that reflect the heart of our work:*

- **Community** – fostering belonging and connection so people feel part of something bigger.
- **Connection** – bridging gaps between families, businesses and services to enhance access and participation.
- **Family** – uplifting parents, caregivers and children through accessible support and opportunities.
- **Safety** – promoting wellbeing and child-friendly environments that support healthy development and confidence.
- **Support** – recognising barriers to access and creating pathways that bring assistance within reach.
- **Inclusion** – championing diverse voices and ensuring everyone is welcomed, valued and empowered to engage.

Together, we work to build a stronger, more connected Wide Bay where all community members can thrive.
