School Holidays

The Easter School Holiday Pocket Guide is here to help families across the Bundaberg Region find fun, local activities during the school break. Inside you'll find a range of events, workshops and programs happening across the region, run by local organisations, businesses and community groups.

From creative workshops and activities to outdoor adventures and family-friendly events, there are plenty of opportunities for kids to stay active, learn something new and enjoy time with family and friends.

Keep this guide handy, plan a few outings, and make the most of the Easter school holidays.

For more details on every event and plenty more, head to www.widebaykids.com.au. Wide Bay Kids is a not-for-profit organisation, and we appreciate the support of our School Holiday Guide advertisers for helping make this possible!
